Amassing a School-Owned Bicycle Fleet: A Workshop

MPS Safe Routes to School is pleased to present Mark Trumper. A few years ago ELL teacher Mark Trumper had a vision of a class set of bicycles that children at Pillsbury School could use during the school day for transportation to environmental learning projects at the Mississippi River. Mark gained the support of school administration, staff, students and parents. Through a number of mini-grants and awards and a lot of tenacity, Mark has made this vision a reality.

Come learn how to make bicycle –fleet dreams a reality at your school.

Tuesday, March 5th

7:30-8:30 a.m.

and

3:30-4:30 p.m.

at

The Davis Center

1250 West Broadway Avenue

All are welcome in this first of a three part wellness series from Healthy Kids Focused Students. This workshop is appropriate for staff, parents, or anyone in the elementary, middle or high school community seeking to start, organize, or expand a school-owned bicycle fleet.

Please RSVP to MPS Safe Routes to School 612-668-5419 or Jennifer.bordon@mpls.k12.mn.us.

True Food Active Living!

WELLNEES POLICY 6690:

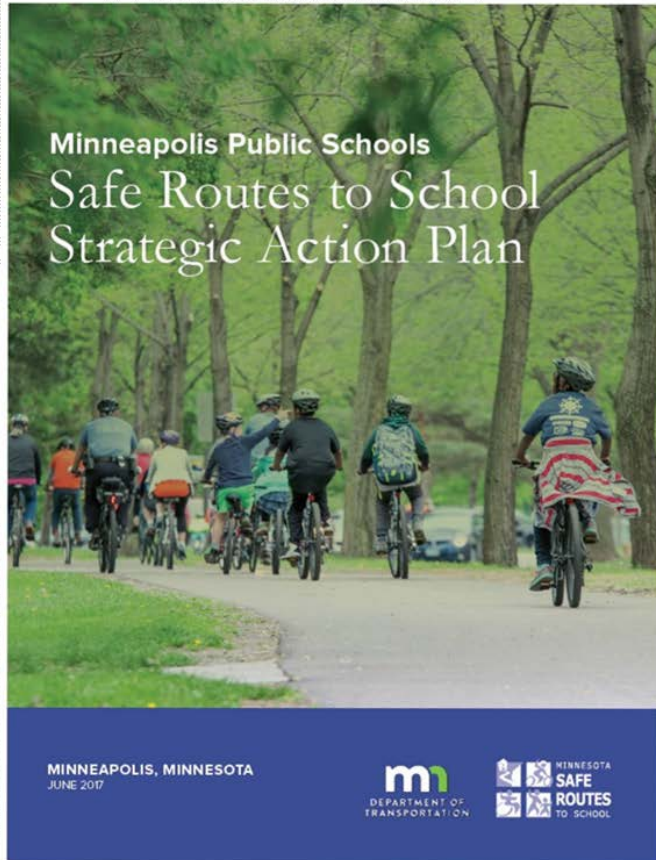

School environments shall promote and protect students' health, well-being and ability to learn by supporting Safe Routes to Schools or other, similar programs and curricula that promote biking and walking to, from and while at school and work by students and staff.

 Nurturing ALL children through access to quality food and active living.

MPS SRTS Strategic Action Plan

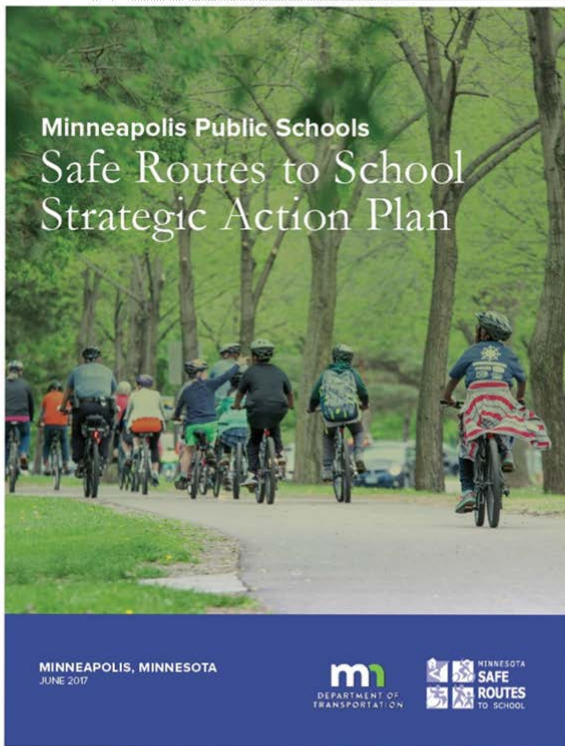

Completed summer 2017
MnDOT Grant ~ Alta Planning

- Monthly SRTS work group meetings
- Stakeholder focus group conversations at schools with parents, staff, and students
- Pop up engagement with students at lunch, parents at NAAPID events, and online survey
- Key informant interviews with staff involved in SRTS efforts
- Coordination meetings with Minneapolis Public Works and Hennepin County

MINNEAPOLIS
